

This is my plan to achieve my goal:

I'm going to write my goal on a big piece of paper & put it on my wall, I am going to practice every-day, ask my teacher for help, find books that will give me some tips, be happy with my achievements - even if it is just a small improvement & not give up...

These are 3 reasons why I love you:

You give me hugs, you make me feel special, you encourage me, you make me feel happy, I love hearing your voice, you are my favorite person in the world. (you can draw pictures to!)

My favorite song is...Because it makes me feel...

Write down your favorite song & who sings it. Then write if it makes you feel: happy, like dancing, like jumping, like singing along ...

These are my goals for being the 'Best I can Be':

I am going to be kind to animals. Be helpful. Be kind. Try my best at school. Brush my teeth in the morning and before bed. Learn to spell a new word every day. Learn to be happy with myself- because I am a neat person.

I Love you Always
