

My favorite animal in the world is:

Is there a cartoon animal in any TV or internet programme you watch, is there a cat or dog that lives at your house, does your school have any pet fish, rabbits or mice. What about the fish in the sea (you may have seen a whale or shark on TV) or the birds you see around where you live - like sparrows or sea-gulls.

These are 3 reasons why I love you:

You give me hugs, you make me feel special, you encourage me, you make me feel happy, I love hearing your voice, you are my favorite person in the world. (you can draw pictures to!)

When I'm an adult I'd like to be a:

Teacher, go to university, an explorer, a writer, a builder, a farmer, a soldier, an accountant, work in a shop, work with animals, or be a hair-dresser...

These are my goals for being the 'Best I can Be':

I am going to be kind to animals. Be helpful. Be nice to someone & be kind. Try my best at school. Brush my teeth in the morning and before bed. Learn to spell a new word every day. Practice my drawing skills.

I Love you Always
