

Hi \_\_\_\_\_ (1-8)

**I drew this picture of me giving you a big hug.**

**I'm still settling in and so far, I have met some nice people:**

*Who has been nice to you, an officer? nurse? Or have you met some people who you'd like to be friends with?*

**I miss you a lot, but it helps me think of all the happy times we've shared, do you remember when:**

**These are 3 reasons why I love you:**

You give me hugs, you make me feel special, you encourage me, you make me feel happy, I love hearing your voice, you are my favorite person in the world. Talk about their special qualities.

## These are my goals for the next week:

Think & pray for you every-day, keep myself positive, I'm going to ask how I can buy a notebook, so that I can start a diary. Try to eat healthily & get some good night's sleep.

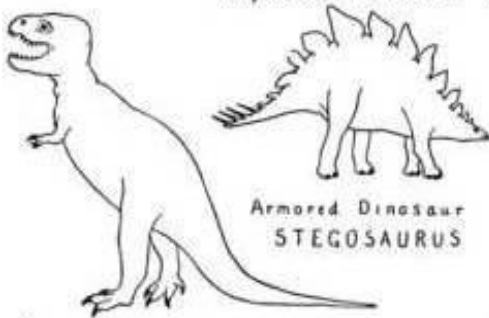

# I Love you Always

### Fun Dinosaur Facts

The name dinosaur means 'frighteningly big lizard' & The world's biggest dinosaur, the giant plant-eating sauropods (saw-o-pods) were the biggest & heaviest dinosaurs to walk the earth. Of these, it's thought that the newly discovered Dreadnoughtus (dread-nort-us), was the largest.

Wouldn't it be awesome to see a real dinosaur? Can you colour in these one's for your mum or dad?
